

Aldine Independent School District
Broad Prize 2004 and 2005 National Finalist

*Producing the
Nation's Best*

April 11, 2008

To Whom It May Concern:

Aldine Independent School District is pleased to recommend Lotus Chemicals Co., Inc. and their product Lotus Perm-Shine 266. Approximately two years ago the district used their floor coating system on a restroom floor and we were very impressed with the results. Since that time we have used this product to do several more restrooms in the district.

Sincerely,

Emitte A. Roque
Executive Director of Buildings and Properties
