Houston, Texas 77289

Dr. Cholera,

I want to thank you for a job well done on the installation of the dry erase marker surface, the Lotus Perm-White 265 coating system.

The conversion of our conference walls at the Administration Building, as well as the Library at the Joyce Zotz Center, was done efficiently, effectively and professionally. The surface is easy to use, as well as to clean, and provides a much larger writing surface than the conventional dry erase boards that we have used in the past.

I would highly recommend your product!

Best regards,

Crockett DuBose
