To whom it may concern:

In March of 2008, the Facilities Programs and Project Management Division of METRO's Facilities Department conducted a test of Lotus Chemicals Lotus Perm Stripe 267. This test was done in a section of the Monroe Park & Ride located at 8833 1/2 Gulf Freeway.

I am happy to report that in fact the product delivered as promised exceeding the life cycle of other products we had used by far.

For any questions, I can be reached at 713-615-6248.

Thank you.

Freeman Taylor

Manager Facilities Programs and Project Management
